TO:

All good relationships are based upon mutual trust, understanding and effective communication. Accordingly, I feel it is in our mutual best interest to communicate my expectation of our professional relationship in order to eliminate any confusion or misunderstanding which may arise in the future.

You have requested that I prepare your **2017** business's federal and state income tax returns. I will prepare your **2017** tax returns based on the information you have provided me. To enable me to effectively and efficiently serve you, it is imperative that you provide me with accurate and complete information about your matter. I rely on your prompt and candid communications to keep me informed of all developments regarding any changes in the facts of your tax situation, including errors or omissions.

My fees are based primarily on the amount of time spent on your tax return by my accountants, assistants, and other staff, subject to certain adjustments. Each accountant, assistant, or other member of my staff has an hourly billing rate. To the extent that I can utilize my professional staff at a billing rate of \$60 - \$185 per hour in the accomplishment of any services performed for you, I will do so in order to minimize your fees. You will be billed for items incidental to the performance of my services such as expenses for photocopying, software fees, travel, postage, and phone calls. The **minimum** fee for a tax return is **\$450 per tax return**.

Invoices will be rendered at least monthly for work done in the previous month, including disbursements and other expenses incurred on your matter. If I do not hear from you regarding your invoice within thirty (30) days of the billing date, I shall assume you have examined the invoice and accept it as valid. We reserve the right to withdraw from your representation in the event of nonpayment.

As described above, my engagement is premised on an hourly fee basis. Your obligation to pay shall not depend upon a particular result or outcome on your tax return.

*All efforts to file your tax return by the tax deadline will be made. **September 14th** is the final deadline to file your return if a request to extend was filed. I ask that all data needed to complete your return before this deadline be in my office by **August 15, 2018**. Any returns in which data is received after 8/15/18 will be assessed a \$75 fee to cover overtime costs for staff to insure a timely filed return.*

Please be aware that your returns are subject to examination by taxing authorities, which could generate IRS or state letters or inquiries. In the event of an audit, you may be requested to produce documents, records or other evidence to substantiate income and deductions shown on your return. Please retain all of your documents, receipts, cancelled checks and any other records you might have in your possession.

In the event of a notice/audit being generated by a taxing authority, I will assist you in corresponding/representing you with the taxing authority to resolve the issues at additional fees based on the time encompassed. If the error on your return is the firm's fault, I will do this work at no charge to you, however you will be responsible for any tax, penalties or interest assessed. As part of my work, I will put forth every effort to have any penalties abated.

It is our firm's policy to retain an electronic copy of your tax files for a period of four years after the filing of the tax return. At the conclusion of the four year period, I will destroy these files including any paper documents, digital media or other tangible things as well as originals. You are provided a copy of your tax

return upon completion. If you request an additional copy of your return, whether paper copy or digital copy, there will be a \$20 fee due at the time of delivery for the copy.

If any dispute, controversy or claim arises during our business relationship, either party may upon written notice to the other party, request that the matter be mediated. Such mediation will be conducted by a mediator appointed by and pursuant to the Rules of Arbitration Association or such other neutral facilitator acceptable to both parties. Both parties will exert their best efforts to discuss with each other in good faith their respective positions in attempt to finally resolve such dispute or controversy. The arbitration shall be conducted in Baton Rouge, LA.

Our relationship may be terminated by you or by me at any time, with or without cause, by written notice to the other party. In the event of termination, I will cooperate and assist in a transfer of your matter to another firm if you wish us to do so. You agree to pay for my services, according to our normal fees, through the completion of the transition.

In the event any member(s) of the firm is required to attend a deposition or any other court related matter on your behalf or as a result of our business relationship, you will be responsible for all fees based on the hourly rate of the applicable member(s) of the firm. Any fees for time spent on copying and/or emailing documents, postage, phone calls, or meetings related to any deposition or court matter will also be your responsibility.

If the foregoing is in accordance with your understanding of the terms and condition of my engagement letter, please sign this letter where indicated and return to me by mail or bring it with you to your tax appointment.

Please feel free to contact my office with any questions relating to this engagement letter. I look forward to working with you to provide timely and quality service.
